

brightworks

an extraordinary school

Hello,

I hope this letter finds you well and in hopeful spirits!

Brightworks is a K-12 school that reimagines education. By taking the best practices from both early childhood education and hands-on, project-based experiential learning, we strive to meet students' needs in a flexible, mixed-age environment that breaks the traditional walls between school and the community outside the classroom. Brightworks has a mission of showing the world what is possible in education.

To achieve this mission, Brightworks has a strong commitment to diversity and provides substantial financial assistance, most likely, more than any other school in the area to students.

This year we're hosting our **3rd Annual Brightworks Maker Marketplace and Silent Auction on Saturday, December 7th, 2019 from 11:00am to 4:00pm, to be held in the school gym at 345 8th Ave. All proceeds will benefit the school's financial aid fund and will center youth student makers alongside local makers and artisans. It will be a day of community, highlighting youth creativity.**

Would you be interested in supporting Brightworks scholarship fund & our student makers, along with us, by becoming a Student Maker Sponsor or donating to our Silent Auction?

At each level of sponsorship we will honor our partners with acknowledgment on our webpage, social media, and on our Sponsor Honor Board (see details on the Student Maker Sponsor Form enclosed.)

We're thrilled to partner with people like you who support San Francisco's next generation while simultaneously promoting the work of local businesses who provide important spaces for community and culture in the San Francisco area. Your donations support Brightworks' mission.

Please let me know if you have any questions. We'd like to secure all our Student Maker Sponsors & Silent Auction donations by November 15th.

Warmly,

Natalia Vigil
Maker Marketplace Donation Coordinator
